DEPARTMENT OF STANDARDS MALAYSIA

## **DEVELOPMENT OF MALAYSIAN STANDARDS**

The **Department of Standards Malaysia (Standards Malaysia)** is the national standards and accreditation body of Malaysia.

The main function of Standards Malaysia is to foster and promote standards, standardisation and accreditation as a means of advancing the national economy, promoting industrial efficiency and development, benefiting the health and safety of the public, protecting consumers, facilitating domestic and international trade and furthering international cooperation in relation to standards and standardisation. The use of Malaysian Standards is voluntary except in so far as they are made mandatory by regulatory authorities by means of regulations, local by-laws or any other similar ways.

Malaysian Standards (MS) are developed through consensus by committees which comprise balanced representation of producers, users, consumers and others with relevant interests, as may be appropriate to the subject at hand. The development of a standard as a Malaysian Standard is governed by the Standards of Malaysia Act 1996 [Act 549]. Section 18A of the act stipulated that, all Malaysian Standards are owned by the Government of Malaysia and no part of a Malaysian Standard can be reproduced in any form without the written permission of the Director General.

## Committee representation

The National Standards Committee on Medical Devices and Facilities for Healthcare (NSC R) under whose authority this Malaysian Standard was developed, comprises representatives from the following organisations:

Association of Malaysian Medical Industries  
Association of Private Hospitals of Malaysia  
Atomic Energy Licensing Board  
Biomedical Engineering Association Malaysia  
Department of Standards Malaysia (Secretariat)  
Federation of Malaysian Manufacturers  
Institute for Medical Research  
Institute of Physics Malaysia (Radiation Physics, Biophysics and Medical Physics Sub-Group)  
Malaysia Medical Device Association  
Malaysian Association of Standards Users  
Malaysian Medical Association  
Malaysian Nuclear Agency  
Malaysian Organisation of Pharmaceutical Industries  
Malaysian Rubber Board  
Malaysian Rubber Council  
Medical Device Authority, Ministry of Health Malaysia  
Pharmaceutical Association of Malaysia  
SIRIM QAS International Sdn Bhd  
Universiti Kebangsaan Malaysia (Faculty of Allied Health Sciences)  
Universiti Teknologi Malaysia (Faculty of Science)

The Technical Committee on Code of Practice for Medical Devices and Healthcare Facilities (TC/R/10) which supervised the development of this Malaysian Standard consists of representatives from the following organisations:

Association of Private Hospitals of Malaysia  
Biomedical Engineering Association Malaysia  
Department of Standards Malaysia (Secretariat)  
Edgenta Mediserve Sdn Bhd  
Jabatan Kerja Raya Malaysia (Cawangan Kejuruteraan Elektrik)  
KPJ Healthcare Berhad  
Malaysia Medical Device Association  
Malaysian Medical Association  
Medical Device Authority, Ministry of Health Malaysia  
Medical Electronic Engineering Association Malaysia  
Medivest Sdn Bhd  
Ministry of Health Malaysia (Engineering Services Division)  
Malaysian Society for Quality in Health  
Radicare (M) Sdn Bhd  
The Institution of Engineers, Malaysia  
Universiti Kebangsaan Malaysia (Faculty of Health Sciences)  
Universiti Kebangsaan Malaysia Medical Centre  
Universiti Malaya (Department of Biomedical Engineering)  
Universiti Malaya Medical Centre  
Universiti Sains Malaysia (Department of Development)  
Universiti Teknologi Malaysia (Faculty of Biosciences and Medical Engineering)

**MS 2752:2022**

## **Foreword**

This Malaysian Standard was developed by the Technical Committee on Code of Practice for Medical Devices and Healthcare Facilities (TC/R/10) under the authority of the National Standards Committee on Medical Devices and Facilities for Healthcare (NSC R).

Compliance with a Malaysian Standard does not of itself confer immunity from legal obligations.
