DEPARTMENT OF STANDARDS MALAYSIA

DEVELOPMENT OF MALAYSIAN STANDARDS

The **Department of Standards Malaysia (STANDARDS MALAYSIA)** is the national standards and accreditation body of Malaysia.

The main function of STANDARDS MALAYSIA is to foster and promote standards, standardisation and accreditation as a means of advancing the national economy, promoting industrial efficiency and development, benefiting the health and safety of the public, protecting the consumers, facilitating domestic and international trade and furthering international cooperation in relation to standards and standardisation.

Malaysian Standards (MS) are developed through consensus by committees which comprise balanced representation of producers, users, consumers and others with relevant interests, as may be appropriate to the subject at hand. To the greatest extent possible, Malaysian Standards are aligned to or are adoption of international standards. Approval of a standard as a Malaysian Standard is governed by the Standards of Malaysia Act 1996 [Act 549]. Malaysian Standards are reviewed periodically. The use of Malaysian Standards is voluntary except in so far as they are made mandatory by regulatory authorities by means of regulations, local by-laws or any other similar ways.

STANDARDS MALAYSIA has appointed **SIRIM Berhad** as the agent to develop, distribute and sell the Malaysian Standards.

Committee representation

The Industry Standards Committee on Food and Food Products (ISC U) under whose authority this Malaysian Standard was developed, comprises representatives from the following organisations:

Department of Agriculture Malaysia
Department of Chemistry, Malaysia
Department of Standards Malaysia
Federal Agricultural Marketing Authority
Federation of Malaysian Manufacturers
Malaysian Agricultural Research and Development Institute
Malaysian Association of Standards Users
Malaysian Institute of Food Technology
Malaysian Palm Oil Association
Malaysian Palm Oil Board
Ministry of Agriculture and Agro-Based Industry
Ministry of Health Malaysia
Ministry of International Trade and Industry
Ministry of Science, Technology and Innovation (National Biotechnology Division)
Universiti Kebangsaan Malaysia
Universiti Putra Malaysia

The Technical Committee on Herbs which supervised the development of this Malaysian Standard consists of representatives from the following organisations:

Alterni (M) Sdn Bhd
Applied Chemie Sdn Bhd
Department of Agriculture Malaysia
FA Herbs Sdn Bhd
Forest Research Institute Malaysia
Institute for Medical Research
Malaysia Agricultural Research and Development Institute
Malaysian Herbal Corporation
Ministry of Health Malaysia (National Pharmaceutical Control Bureau)
SIRIM QAS International Sdn Bhd
Universiti Kebangsaan Malaysia
Universiti Malaya
Universiti Malaysia Sabah
Universiti Sains Malaysia
Universiti Teknologi Malaysia (Institute of Bioproduct Development)

The Working Group on Phytopharmaceutical Aspect of Herbs which developed this Malaysian Standard consists of representatives from the following organisations:

Forest Research Institute Malaysia
Institute for Medical Research
Nestle Manufacturing (M) Sdn Bhd
Nova Laboratories Sdn Bhd
Phytes Biotek Sdn Bhd
SIRIM Berhad (Secretariat)
TPM Biotek Sdn Bhd
Universiti Kebangsaan Malaysia
Universiti Sains Malaysia
Universiti Teknologi Malaysia (Chemical Engineering Pilot Plant)

FOREWORD

This Malaysian Standard was developed by the Working Group on Phytopharmaceutical Aspect of Herbs under the authority of the Industry Standards Committee on Food and Food Products.

This Malaysian Standard is based on Malaysian Herbal Monograph, 1999 (FRIM) and findings by reliable research institutions.

Compliance with a Malaysian Standard does not of itself confer immunity from legal obligations.
