This Malaysian Standard, which had been approved by the Food and Agricultural Industry Standards Committee and endorsed by the Board of the Standards and Industrial Research Institute of Malaysia (SIRIM) was published under the authority of the SIRIM Board in August, 1994.

SIRIM wished to draw attention to the fact that this Malaysian Standard does not purport to include all the necessary provisions of a contract.

The Malaysian Standards are subject to periodical review to keep abreast of progress in the industries concerned. Suggestions for improvements will be recorded and in due course brought to the notice of the Committee charged with the revision of the standards to which they refer.

The following reference relate to the work on this standard:

Committee reference: SIRIM 481/5

Draft for comment: D293 (ISC A)

Encik Zainol Kamar bin Mohd. Sidek/ Encik Abd. Aziz Hussain	LKIM, Selangor
Encik Jamaluddin Yusof/Encik Mohd. Salleh Hj. Karim	Ministry of Health
Puan Saleha A. Jalil (Secretary)	Standards and Industrial Research Institute of Malaysia

**MS 1352 : 1994**

## **FOREWORD**

This Malaysian Standard was prepared by the Working Group on Marine Foods - Fresh and Processed, under the authority of the Food and Agricultural Industry Standards Committee.

This standard replaces all the following :

MS 299:1975, Specification for dry-salted ikan talang (*Chorinemus* sp.)

MS 300:1975, Specification for dry-salted horse mackerels (*Caranx* sp.)

MS 301:1975, Specification for dry-salted ikan kurau (Threadfin)

MS 702:1981, Specification for dry-salted ikan gelama (Jewfish)

MS 703:1981, Specification for ikan merah (*Lutianus* sp.)

The above specifications are now compiled into a single standard. The requirements have been updated to be in line with the requirements of the products in the market.

In the preparation of this standard, the following publications were referred to:-

1. CAC/RCP 26-1979, International Codes of practice for salted fish.
2. Relevant Indian Standards on dry-salted fish.
3. PS 155-1962, Pakistan Standard Specification for dried salted fish.
4. SLS 643:1984, Sri Lanka Standard Specification for dried fish.
5. 32-GP-142a:1967, Canadian Standard for fish: salted, smoked and pickled.
6. Wan Rahimah, W.I. (1978) Processing of fishery products in Malaysia. Agricultural Utilisation. Report No: 151, published by the Malaysian Agricultural Research and Development Institute, Serdang, Selangor.
7. Siaw, C.L and Yu, S.Y. (1978) The application of technology to the processing of salted-dried fish in Peninsular Malaysia. Agricultural Product Utilisation. Report No: 171, published by the Malaysian Agricultural Research and Development Institute, Serdang, Selangor.
8. Rokiah, M., Shamsuddin, A and Mohd. Yazid, M.A. (1988) Pemerosesan ikan masin kering. Bahagian Teknologi Makanan di terbit oleh Institut Penyelidikan dan Kemajuan Pertanian Malaysia.
9. Sidaway, E.P and Balasingam, M. (1971) Fish processing in West Malaysia. Food Agricultural Product Utilisation. MARDI/FAO Report No. 51, published by the Malaysian Agricultural Research and Development Institute, Serdang, Selangor.
10. Hanousek, J. (1970) Protective packaging of dried salted fish in Malaysia. A Research Study. MARDI/FAO Report No. 51, published by the Malaysian Agricultural Research and Development Institute, Serdang, Selangor.
