DEPARTMENT OF STANDARDS MALAYSIA

DEVELOPMENT OF MALAYSIAN STANDARDS

The **Department of Standards Malaysia (STANDARDS MALAYSIA)** is the national standards and accreditation body of Malaysia.

The main function of STANDARDS MALAYSIA is to foster and promote standards, standardisation and accreditation as a means of advancing the national economy, promoting industrial efficiency and development, benefiting the health and safety of the public, protecting the consumers, facilitating domestic and international trade and furthering international cooperation in relation to standards and standardisation.

Malaysian Standards (MS) are developed through consensus by committees which comprise balanced representation of producers, users, consumers and others with relevant interests, as may be appropriate to the subject at hand. To the greatest extent possible, Malaysian Standards are aligned to or are adoption of international standards. Approval of a standard as a Malaysian Standard is governed by the Standards of Malaysia Act 1996 [Act 549]. Malaysian Standards are reviewed periodically. The use of Malaysian Standards is voluntary except in so far as they are made mandatory by regulatory authorities by means of regulations, local by-laws or any other similar ways.

STANDARDS MALAYSIA has appointed **SIRIM Berhad** as the agent to develop, distribute and sell the Malaysian Standards.

For further information on Malaysian Standards, please contact:

Committee representation

The Industry Standards Committee on Environmental Management (ISC Z) under whose authority this Malaysian Standard was developed, comprises representatives from the following organisations:

Association of Consulting Engineers Malaysia
Association of Environmental Consultants and Companies of Malaysia
Balai Ikhtisas Malaysia
Business Council for Sustainable Development Malaysia
Centre for Environment Technology and Development Malaysia
Department of Environment
Department of Standards Malaysia
Environmental Management and Research Association of Malaysia
Federation of Malaysian Manufacturers
Malaysian International Chamber of Commerce and Industry
Malaysian Nuclear Agency
Malaysian Palm Oil Association
Malaysian Palm Oil Board
Malaysian Palm Oil Council
Malaysian Plastics Manufacturers Association
Malaysian Rubber Board
Malaysian Rubber Glove Manufacturers' Association
Malaysian Textile Manufacturers Association
Ministry of Domestic Trade, Co-operatives and Consumerism
Ministry of Energy, Green Technology and Water
Ministry of Housing and Local Government
Ministry of International Trade and Industry
Ministry of Natural Resources and Environment
Ministry of Plantation Industries and Commodities
Ministry of Science, Technology and Innovation
SIRIM Berhad (Environmental Technology Research Centre)
SIRIM Berhad (Secretariat)
The Electrical and Electronics Association of Malaysia
The Institution of Engineers, Malaysia
Universiti Malaya
Universiti Putra Malaysia

The Technical Committee on Waste which supervised the development of this Malaysian Standard consists of representatives from the following organisations:

Association of Environmental Consultants and Companies of Malaysia
Department of Chemistry, Malaysia
Department of Environment
Department of National Solid Waste Management
Federation of Malaysian Manufacturers
Malaysian International Chamber of Commerce and Industry
Malaysian Nuclear Agency
Malaysian Palm Oil Association
Malaysian Rubber Board
Ministry of Health Malaysia (Engineering Services Division)
SIRIM Berhad (Secretariat)
Universiti Malaya
Universiti Putra Malaysia

Committee representation (*continued*)

The Working Group on Solid Waste which developed this Malaysian Standard consists of representatives from the following organisations:

Alam Flora Sdn Bhd

Association of Environmental Consultants and Companies of Malaysia

Department of National Solid Waste Management

Malaysian Nuclear Agency

Ministry of Health Malaysia (Engineering Services Division)

Putrajaya Corporation

SIRIM Berhad (Secretariat)

Solid Waste Management and Public Cleansing Corporation of Malaysia

SWM Environment Sdn Bhd

Universiti Malaya

Universiti Putra Malaysia

Waste Management Association of Malaysia

Co-opted member:

DRB-HICOM Defence Technologies Sdn Bhd

FOREWORD

This Malaysian Standard was developed by the Working Group on Solid Waste under the authority of the Industry Standards Committee on Environmental Management.

Compliance with a Malaysian Standard does not of itself confer immunity from legal obligations.
