

MALAYSIAN STANDARD

MS 417: Part 2: 1994

**THE ANALYSIS OF FERTILIZERS: PART 2: METHOD FOR THE
DETERMINATION OF MOISTURE CONTENT, PARTICLE SIZE AND ASH
CONTENT (FIRST REVISION)**

The attached amendment on MS 417: Part 2: 1994 has been formally approved by the Technical Committee on Fertilizers.

Date: 9 May 2001
Amd. 1

(1) Page 2, subclause 3.6.1

To add this NOTE below 3.6.1:

NOTE. If the sample is an organic fertilizer, the moisture content is expressed as percentage by weight of sample as received (on wet weight basis).
