DEPARTMENT OF STANDARDS MALAYSIA

DEVELOPMENT OF MALAYSIAN STANDARDS

The **Department of Standards Malaysia (Standards Malaysia)** is the national standards and accreditation body of Malaysia.

The main function of Standards Malaysia is to foster and promote standards, standardisation and accreditation as a means of advancing the national economy, promoting industrial efficiency and development, benefitting the health and safety of the public, protecting the consumers, facilitating domestic and international trade and furthering international cooperation in relation to standards and standardisation. The use of Malaysian Standards is voluntary except in so far as they are made mandatory by regulatory authorities by means of regulations, local by-laws or any other similar ways.

Malaysian Standards are developed through consensus by committees which comprise balanced representation of producers, users, consumers and others with relevant interests, as may be appropriate to the subject at hand. The development of a standard as a Malaysian Standard is governed by the Standards of Malaysia Act 1996 [Act 549]. Section 18A of the act stipulated that, all Malaysian Standards are owned by the Government of Malaysia and no part of a Malaysian Standard can be reproduced in any form without the written permission of the Director General.

Universiti Malaysia Terengganu
Universiti Putra Malaysia

Foreword

This Malaysian Standard was developed by the Technical Committee on Fresh Fruits (NSC A/TC 3) under the authority of the National Standards Committee on Agriculture (NSC A).

Major modifications in this revision are as follows:

- a) reposition of clauses for better reading flow;
- b) amendments on terms and definitions;
- c) amendments on clauses in order to improve the understanding;
- d) introducing new act on minimum requirements;
- e) amendment on Table 1. Quality grades and requirements of fresh durian;
- f) addition of Table 2. Categories of selected fresh durian varieties based on sizes;
- g) amendment on Table 3. Size of fresh durian based on weight; and
- h) introducing new information in Annex A, Annex B and Annex C.

This Malaysian Standard cancels and replaces, MS 2431:2011 *Fresh durian - Specification*.

Compliance with a Malaysian Standard does not of itself confer immunity from legal obligations.
